

CORNELIUS

This Matte Gold buffet is a stunning showstopper. The detailed recessed pattern of the Cornelius is inspired by Barcelona's Gaudi-designed street tiles, or panots. These Catalan tiles make strolling along the city's Passeig de Gràcia an artful experience; as a design element on this buffet they make any environment feel inspired. Media cutouts add to the piece's functionality, making it a lively addition to a bedroom, living room, or media room.
